

The Company

- Over 20 years of installation experience
- Member of the Better Business Bureau
- Five Star rating with Kudzu.com
- Licensed, Fully Insured
- Preferred partner with Panorama Window Film
- Panorama Dealer of the Year

The Product

- Panorama films reject up to 80% of the total solar energy, and 99% of damaging ultraviolet rays
- Bekaert, the manufacturer of Panorama, has been manufacturing window film for over 40 years in San Diego, California, and is a leader in architectural film manufacturing
- Panorama is the most natural looking film with optimum performance and has the best optical clarity in the industry
- Our blinds are custom made to order and are manufactured locally in Alpharetta, GA by AHD Blind Manufacturer

The Warranty

- Panorama Films come with two warranties
 - Film warranty- covers any product defects such as; bubbling, fading, peeling, and delaminating.
 - Window warranty- replaces your manufacturer's warranty for thermal stress cracks for five years and seal failure for 3 years, which means you still have a window warranty when using Panorama Film, unlike other films that void window warranties
- All our blinds come with a Limited Lifetime Warranty; which covers any warping, fading, yellowing, cracking and all mechanical components of the blinds; tilt string or wand, draw string and clutch.

The Guarantee

- Our customers are the most important part of our business. We guarantee you the best products, professional installation and customer service. Your satisfaction is our guarantee for a healthy and long lasting relationship. We want to thank you for the opportunity to serve you and your most valuable asset and we will treat it with the utmost respect.

Thank you for your business!
